**A laptop is required for the face-to-face classes.**

## Pre-requisites And Entry Requirements

There are no formal prerequisites of entry requirements for enrolling into this course.

## State Licencing Requirements:

You must be eligible to apply for a security licence and provide evidence that you have not been convicted of a disqualifying offence in the past ten (10) years, where a conviction was recorded.

## Minimum Age:

The minimum age at commencement of this course is 18 years of age.

## Language, Learning & Numeracy:

Students will need to have an appropriate level of written and spoken English as well as numeracy skills suitable for employment within the private security industry. At your pre-training review, you will be provided with an LLN Assessment to determine if you have a sufficient level of literacy and numeracy in order to undertake this course.

## Physical Requirements:

Students should be physically fit with good vision and hearing, and the ability to respond quickly to cues. You will need to be able to stand on your feet for extended periods of time – sometimes many hours – and be able to perform a range of physical tasks every day.

## Secure your future with the

### CPP20218 Certificate II In Security Operations

Security officers are responsible for maintaining safety and security patrolling, protecting or guarding property screening entry, monitoring behaviour and removing persons from premises.

Unlock your ability to apply for and possibly gain employment as a crowd controller or unarmed guard in the private security sector by completing this course.

## Require A Security Licence?

This course is the first step to licensing outcomes for

- Security officer – unarmed guard
- Security officer – crowd controller

Occupational titles could include:

- Security officer
- Unarmed guard
- Crowd controller

## Licensing Information

Upon successful completion of this qualification, you will have the competencies necessary to apply to the relevant authority in your respective state for a security licence or equivalent.

Students will require a unique student identifier (USI) to enrol.
